4 twisted pairs  
23 AWG, flame retardant, PVC jacket

### Product identification

Lambda UTP Category 6

### Generic cabling standards, cable standards

- ISO/IEC 11801 2<sup>nd</sup> edition CD (2000)

### Standards for flame retardancy

- IEC 332-1

### Technical report

DELTA-K311104, DANAK-19J0686

*This product has been tested by the EC (European Cabling) group of DELTA and complies with the requirements of the above specified standards. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP 231006 version 7, 2000-09-19. The product takes part in a maintenance of qualification schedule which implies that the EC (European Cabling) group performs a quality audit of the manufacturer's production and QA sites. The product is sampled and tested every 6 months*
