

# COMPLIANCE STATEMENT

The logo for DELTA, consisting of the word "DELTA" in a bold, sans-serif font, positioned within a red triangular shape that points to the right. The background of the page features a large, stylized geometric pattern of overlapping triangles in shades of gray and white.

## No. 2000-117 - Data communication cable

### Company

LAMBDA CABLES  
A division of Aberdare Cables (Pty) Ltd.  
334A Slegtkamp Street  
Hermanstad  
Pretoria 0082  
South Africa

### Product description

Unshielded cable (UTP), characterised up to 100 MHz  
Horizontal floor wiring cable, 100  $\Omega$   
4 twisted pairs  
24 AWG, flame retardant, halogen free

### Product identification

Lambda UTP Category 5e, LS0H

### Generic cabling standards, cable standards

- ANSI/TIA/EIA-568-A-5, Category 5e. Draft 11, April 9, 1999
- EN 50173, Category 5 and EN 50167
- ISO/IEC 11801, Category 5 and IEC 1156-2

### Standards for flame retardancy

- IEC 332-1

### Technical report

DELTA-K310855, DANAK-19J0529

*This product has been tested by the EC (European Cabling) group of DELTA and complies with the requirements of the above specified standards. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006, version 7, 2000-09-19. The product takes part in a maintenance of qualification schedule which implies that the EC (European Cabling) group performs a quality audit of the manufacturer's production and QA sites. The product is sampled and tested every 6 months*
